

FOR THE LIBRARY USERS

lmta.library.lt

Delivery room: Here you will find literature on the subject of music theory and history, sheet music, fiction and informational literature, which you may take home with you. You will also find foreign language textbooks and literature in foreign languages. There is a computer available where you can search for a specific piece of printed matter in the computerized catalogue of the library. You can make your own copies of printed matter (10 ct per A4 page).

General reading room: Here you will find the last remaining copies of all the sheet music available at the library, literature on the subject of musicology that is available in single copies, also printed matter on the subject of cultural studies, aesthetics, ethics, philosophy, religion studies, political science, literature, and art albums, informational publications (reference books, dictionaries, encyclopaedias), periodicals, worksheets for seminar tasks, reports on scientific studies conducted by students and professors of the Academy.

This literature is available for your use only at the reading room. Some of the literature preserved in the funds of the library is freely accessible. At the reading room, you will also find information on requirements and study materials for lectures, seminars and exams, also your exam results. You can use a printer (20 ct per A4 page). Also, there are 10 computers with internet access, and notation software Sibelius, headphones, a scanner and a printer available for your use.

The delivery room and the reading room at the Faculty of Theatre and Film: Here you will find printed matter on the subject of philosophy, culture and theatre studies, also fiction, textbooks, periodicals, and DVD recordings of plays produced by Lithuanian theatres. There are 3 computers with internet access. You can make your own copies of printed matter (10 ct per A4 page), and make use of headphones, a scanner and a printer available. The readers can use a computerized catalogue to search for a specific piece of printed matter, or place an order while at home, at: **lmta.library.lt**.

This catalogue is accessible at all subdivisions of the library. The information on the printed matter obtained by the library as of the year 2000 is available only in the computerized catalogue.

At the library, you can also use the wireless internet.

Email address: Biblioteka@lmta.lt

At the reading rooms of the library, you can make use of the following electronic databases:
