ADMISSION REQUIREMENTS**

**DRAMA DIRECTING
SECOND CYCLE (MASTER'S) STUDIES**

Admission to the second cycle studies in *Drama Directing* is open for individuals who have completed the first cycle (Bachelor's) studies in the field of theatre (film and theatre). If the applicant has completed the first cycle studies in a different field, during the entrance examination, they have to provide documents (a professional portfolio) proving at least one year's experience in the field of art and culture activity.

The admission score (the maximum value of which is 10) consists of the following:

- the evaluation of the entrance examination has a weighted coefficient of 0.6;
- the evaluation of the admission interview based on questions related to the chosen study programme has a weighted coefficient of 0.2;
- the average score of the grades obtained during the first cycle studies (in the Diploma Supplement) has a weighted coefficient of 0.2.

The entrance examination.

The entrance examination consists of the following:

- evaluation of analytical skills based on the provided questions on theatre history has a weighted coefficient of 0.3;
- a presentation of the applicant's future artistic project has a weighted factor 0.3. The applicant has to briefly introduce the following: the dramaturgy materials, the script or other ideas that serve as a basis for the future project; the venue where the project will be implemented and the team of its creators; the project implementation plan for the three-semester period.

An admission interview based on questions related to the chosen study programme.

The admission interview aims at:

- finding out and evaluating the applicant's knowledge and abilities in the chosen field of studies; his/her desire to develop as a professional; his/her expectations of studies and professional aspirations;
- discussion of the applicant's professional portfolio.
