

## LITHUANIAN ACADEMY OF MUSIC AND THEATRE ADMISSION REQUIREMENTS

### COMPOSITION, DIGITAL TECHNOLOGIES SECOND CYCLE (MASTER'S) STUDIES

Admission to the second cycle studies in *Composition, Digital Technologies* study programme is open for individuals who have completed the first cycle (Bachelor's) studies in the field of music. If the applicant has completed the first cycle studies in a field different than music, during the admission interview, they have to provide documents (a professional portfolio) proving at least one year's professional experience.

The admission score (which maximum value is 10) consists of:

- the evaluation of the entrance examination (creating music) has a weighted coefficient of 0.6;
- the evaluation of the admission interview based on questions related to the chosen study programme has a weighted coefficient of 0.2;
- the average score of the grades obtained during the first study cycle (grades specified in the Diploma Supplement) has a weighted factor of 0.2.

Applicants who have completed the first cycle studies in Composing at the Lithuanian Academy of Music and Theatre in 2019 do not have to take the entrance exam (creating music). The calculation of their admission score includes the evaluation of the Bachelor's thesis (the final art project in Creating Music).

Individuals who have completed the first cycle studies at the Lithuanian Academy of Music and Theatre prior to 2019 as well as graduates of the first cycle studies at other Lithuanian or foreign higher education institutions must take the entrance examination.

The admission interview based on questions related to the chosen study programme is mandatory for all applicants.

#### **The entrance examination (creating music).**

For the examination, the applicant has to provide recordings of his/ her several musical pieces created for electronic music or music for traditional instruments. The works may be submitted in DVD format. At least one of the works submitted for the examination must be written as a musical score.

#### **An admission interview based on questions related to the chosen study programme.**

The admission interview aims at:

- evaluating the applicant's knowledge and abilities in the chosen field of studies; his/her desire to develop as a professional; his/her expectations of studies and professional aspirations;
- discussing projects for research into music technologies and topics for the Final Master's Thesis;
- discussing the professional portfolio (if applicable).
